

100 Million Dollars Worth of Shoes

These are stupendous figures, yet this is the yearly amount that the South spends for shoes. As a curiosity these figures may attract you for a minute, but the most curious thing about them is that three quarters of this money is regularly sent away from the South and the South is that much poorer for it.

You trade at a Southern shoe store. You give the dealer your money. You probably buy a western or northern made shoe. When the dealer pays his bill, this money, less a small per cent to the dealer, goes north or west and the South is that much poorer.

Keep your money at home. Let it work for better times, better wages, more factories, more work for Southern people.

Ask your dealer for The Craddock Shoe. Made in the South, by white labor, for Southern gentlemen. The best shoe value offered by any maker in the land for \$3.50 and \$4.00. Money spent for Craddock Shoes stays in the South, and pays Southern labor, Southern grocers, bakers and butchers.

It builds Southern factories, homes and schools.

We can support more and better industries. Let's each do his part.

COTTON SEED.

You, Mr. Farmer, talking to you. We want your business—need it too. Don't you think that an enterprise that is Orangeburg County owned should have the call on your patronage? Don't you know that Livingston & Co., are representatives of the only Orangeburg owned Oil Mill in Orangeburg County that is buying seed on the Orangeburg City Market? Get wise—find out something—it is to your interest.

Need C. S. Meal? Prime, guaranteed 7 per cent. goods? We sell it—sell it as cheap as anyone on this market—made at Rowesville, S. C. Up to the minute goods, too. Hulls? We have them also—Rowesville made.

You, Mr. Farmer, you, the very person reading this—we are talking to you—are you consistent? You'll get around in crowds and "cuss" the TRUSTS, and then come into market with your seed—what will you do with them? Be consistent, Mr. Farmer.

We do not represent a mill or combination a thousand miles from Orangeburg—no sir! Every dollar made by the mill we represent is kept here in this county. Think a moment—every dollar kept at home helps—helps you, Mr. Farmer—helps you, Mr. Merchant—helps every man, woman and child in the county. If you want to know anything about the market—phone us. We'll gladly keep you posted—phone 307 or 386, either one. We will tell you—tell you straight, too. We want your trade—we want it because we, and the mill we represent need it. We want you help out a home enterprise?

Nervous Prostration For Three Years

"Dr. Miles' Restorative Nerve-cure cured me of a period of nervous prostration of over three years duration, and the Anti-Pain Pills are as necessary to us as the roof of our house. They have been household remedies with us for many years."

WM. J. LOUGHRAN,

1214 Catherine St., Philadelphia, Penna.

Much sickness is due to nervous troubles. Headache, dizziness, epilepsy and insanity are nervous troubles. Then there is a large class of disorders which arise from a weakness of the nerves of an organ or part, as weak lungs, heart, stomach, kidney, bladder, eyes, etc. Dyspepsia and indigestion are usually the result of nervous disorders.

Restorative Nerve-cure soothes the irritated nerves, and assists the nerve cells to generate nerve force.

Dr. Miles' Nerve-cure is sold by all druggists. If the first bottle fails to benefit, your druggist will return your money.
